4 C. Wainwright	0	1	0.16	0

AVERAGE POSITIONS

Players' positions are calculated as an average point of all actions where they touched the ball.

XG (EXPECTED GOALS)

A metric that assigns to every shot a probability (based on historical stats) of how likely it is to score from the position, type of assist, preceding events etc. A modern metric that allows to study the results of the matches with more stress on predictability of moments creation and less on pure luck.

FORWARD / BACK / LATERAL PASS

Passes are quantified in quadrants of 45°. The passes to the side of the field with the length more than 12 meters are considered lateral.

SMART PASS

A pass that develops the attack of the team in a creative way.

SECOND / THIRD ASSIST

A second assist is a pass that immediately leads to an assist. A third assist is a pass that leads to a second assist. Not every assist is guaranteed to have second/third assists to it.

PROGRESSIVE PASS

A pass that moves the ball considerably forward. The minimal requirement for a progressive path progression towards opponent goal is:

- 30 meters, if starting and finishing points there are in own half
- 15 meters, if starting and finishing points there are in other halves
- 10 meters, if starting and finishing points there are in opponent half

PASS TO FINAL THIRD

A pass to a zone within 35 meters from the opponent's goal line.

DEFENSIVE DUEL

A duel that happened when opponent team was in the possession of the ball.

OFFENSIVE DUEL

A duel that happened when the player was in the possession of the ball.

REFLEX SAVE

A goalkeeper save made with a reflexes move.

TRANSITION

Active change in the possession of the ball. Depending on what third of field it took place in, it's divided into Low, Medium and High.

ATTACK

A possession that includes at least one action in opponent's final third.

COUNTERATTACK

An attack that includes a quick transition, attempting to get advantage of the opponent being out of positions.

POSITIONAL ATTACK

Any open play (i.e., not from a set piece) attack that is not considered a Counterattack.

DEEP COMPLETION

A pass (excluding crosses) that was received in a 20-meter radius from the opponent goal line.

PPDA

Opponent passes per defensive action in opponent's final 60% of the pitch. A well-studied metric used to qualify pressing intensity.

MATCH TEMPO

Number of passes per minute of possession.
